

THE GFWC WOMANS CLUB OF MACCLENNY CLUB COMMUNITY SERVICE PROGRAMS

ARTS & CULTURE

Chairman: Linda Royal

Arts and culture enrich lives and inspire creativity. We support our local drama club, encourage member creativity through our annual Arts & Crafts competition, and host an October craft bazaar that brings local vendors and handmade artistry to the community.

CIVIC ENGAGEMENT & OUTREACH

Chairman: Betty Center

Focused on citizenship, safety, supporting those in need, and honoring veterans. We donate a Memorial Day wreath annually, sponsor special events at NEFSH, partner with the Sheriff's Department on emergency preparedness, and promote the value of growing home food.

EDUCATION & LIBRARIES

Chairman: Tamela Gallo

We promote literacy and support local schools by providing clothing, hygiene products, and school supplies. We oversee the HOBY leadership program, scholarships, First Readers, book fairs, and other initiatives that connect members with students and educators.

ENVIRONMENT

Chairman: Brenda Voight

Dedicated to sustainability and stewardship. We collect and recycle aluminum cans—benefiting the BCHS Band (Aug–Dec), The Arc (Jan–Jul), and Ronald McDonald House (year-round). These efforts fund instruments, programs for adults with disabilities, and family support services.

HEALTH & WELLNESS

Chairman: Lanie Willis

We focus on nutrition, disease prevention, and emotional care. Our contributions include hosting a free Community Health Fair, delivering “goodie baskets” to nursing homes and the Council on Aging, supporting “Meals on Wheels,” and monthly food donations to the Samaritan Food Bank.

DOMESTIC VIOLENCE & HUMAN TRAFFICKING

Chairman: Max McDaniel

Our Signature Program raises awareness and works to prevent violence against women. We lead local campaigns to educate about human trafficking, support legislation to hold traffickers accountable, and oppose laws that decriminalize trafficking.
